## Meet the all-new 2026 Subaru Outback.

All-new, inside and out, with more versatile space, more advanced technologies and the latest in Subaru safety, the 2026 Outback is simply our most adventure-ready one yet. So get out there and take a personal day—or two.

### Most Adventurous

No idea is too far-out. With standard Subaru Symmetrical Full-Time All-Wheel Drive, generous ground clearance and X-MODE®, the Outback offers go-anywhere capability for adventures big and small.

### Most Reliable

Built on the strength of the Subaru Global Platform, the Outback has years of experience on all types of terrain. Durability is at the heart of its engineering, including its standard, naturally aspirated and optional turbocharged SUBARU BOXER® engines.

### Safest

The Outback takes an active role in helping you stay safe, thanks to newly standard technologies like Blind-Spot Detection<sup>1</sup>, Reverse Automatic Braking<sup>2</sup> and DriverFocus®<sup>3</sup>. Also standard—our latest Subaru EyeSight® Driver Assist Technology<sup>4</sup> with three cameras offering enhanced capabilities like Emergency Stop Assist.

### Most Advanced

More options come with more ease in the Outback. The all-new, fast-acting 12.1-inch infotainment system provides seamless connectivity with wireless Apple CarPlay®<sup>5</sup> and Android™ Auto<sup>6</sup> integration. With standard MySubaru® Connected Services<sup>7</sup>, you have features like Remote Engine Start with Climate Control, which lets you set the perfect temperature even before you get in.

# 2026 Outback | Trim Levels

## Touring

- 180-hp 2.5-litre 4-cylinder SUBARU BOXER engine with direct injection
- EyeSight Driver Assist Technology<sup>4</sup> with wide-angle mono camera

- Ventilated front seats
- Automatic power-folding exterior mirrors

For a detailed list of specifications, features, accessories and model comparisons, please visit [Subaru.ca](http://Subaru.ca) or your nearest authorized Subaru dealer.

1 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 2 The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, vehicle speed, weather and road conditions. Always exercise caution and use vehicle mirrors and the rearview camera when backing up. See Owner's Manual for complete details on system operation and limitations. 3 The DriverFocus Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner's Manual for complete details on system operation and limitations. 4 EyeSight<sup>®</sup> is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operation and limitations. 5 Apple CarPlay<sup>®</sup> is a registered trademark of Apple Inc. 6 Android<sup>™</sup> is a trademark of Google LLC. 7 Activation with subscription required. 8 Bluetooth<sup>®</sup> is a registered trademark of Bluetooth SIG, Inc., America. 9 Activation with subscription required. Includes 3-month

## Subaru Warranties

Every Subaru vehicle is designed and built to offer our customers the highest possible level of quality and reliability. We are proud of our vehicles and proud to stand behind them with a comprehensive warranty. For 2026 model-year vehicles, the warranty on all Subaru vehicles consists of the following:

**New Vehicle Limited Warranty (36 month/60,000 km)** – Covers basic and major components for 36 months or 60,000 km.

**Major Component Limited Warranty (60 month/100,000 km)** – Extends coverage of major components (more than just powertrain) up to 60 months or 100,000 km.

**Surface Corrosion Limited Warranty (36 month/60,000 km)** – Covers surface corrosion to visible painted body panels for 36 months or 60,000 km.

**Anti-Perforation Limited Warranty (60 month/unlimited km)** – Covers perforation due to corrosion to body sheet metal panels for 60 months, regardless of kilometres.

**Emission Control System Limited Warranty** – Covers some emissions components for 36 months or 60,000 km and the major parts of the emission control system for 96 months or 130,000 km.

**Parts and Accessories Limited Warranty** – Covers Subaru parts and accessories installed by the Subaru dealer prior to retail delivery of the vehicle for 36 months or 60,000 km, and Subaru parts and accessories installed by the Subaru dealer after the retail delivery of the vehicle for 12 months or 20,000 km from the date of the installation.

The above information is an overview of warranty coverage and is not a warranty statement. If you wish to see more details regarding Subaru warranties, please refer to your Subaru warranty booklet, contact your local Subaru dealer or visit our Web site at [subaru.ca](http://subaru.ca).

## Subaru 360 C.A.R.E. Program (36 months/unlimited km)

Access to dedicated Subaru 360 C.A.R.E. (Customer Assistance for Roadside Emergencies) Roadside Assistance Services, which includes access to 1,000 CAA and AAA offices throughout Canada and the United States. In addition to towing, coverage also includes Fuel Delivery, Battery Boost, Flat Tire Service, Lock-Out Service, Trip Accident & Mechanical Breakdown Assistance Service, Winching and Extrication Service, Personalized Trip Planning and Routing, Theft and Hit-and-Run Reward, and Arrest Bond Certificate.

The above information is an overview of services. If you wish to see more details regarding Subaru 360 C.A.R.E., please visit our Web site at [subaru.ca](http://subaru.ca).

## Subaru Protection Plan

As a Subaru owner, you have expectations for a pleasurable, trouble-free ownership experience – now and into the future. Once your 36-month/60,000-km New Vehicle Limited Warranty period ends<sup>1</sup>, our Subaru Protection Plan (SPP) – the only vehicle service contract endorsed by Subaru Canada for Subaru vehicles – can prolong your hassle-free ownership experience with three levels of extended service contract coverage tailored to your needs: Powertrain Protection; Major Protection; or Complete Protection (best level of coverage to complement the 60-month/100,000-km Major Component Limited Warranty). SPP offers comprehensive mechanical and electrical coverage and a number of additional features and benefits, such as Roadside Assistance and Alternate Transportation, for up to 7 years or 160,000 kilometres from your vehicle's in-service date. Whether your vehicle is purchased or leased, SPP protects you and your investment. Be sure to ask your Subaru dealer for details or visit [subaru.ca](http://subaru.ca).

<sup>1</sup> If you already own a Subaru vehicle and it is still within the 36-month/60,000-km New Vehicle Limited Warranty period, you are still eligible for SPP.

**For a detailed list of specifications, features, accessories and model comparisons, please visit [Subaru.ca](http://Subaru.ca) or your nearest authorized Subaru dealer.**

The Supplemental Restraint System (SRS airbags) affords the driver and passenger additional protection in some collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment. The combination of SRS and seatbelts provides the best protection in a serious accident. All illustrations, specifications, features and photographs contained in this brochure are based on product information available at the time of its printing, and may not be completely accurate following its publication.
